

SPOKEN OUT LOUD DAILY...

Statement of Divine Abundance

Today, (day,mm/dd/yyyy) I Acknowledge I Am An Eternal Being Of Infinite Divine Light.

I am an embodiment of endless love, peace, purity, power & bliss.

Originally and eternally, I am safe, I am secure and I am complete. Being the light that I am, I need nothing, I have already attained everything, and I am free.

I recognize that through time and influences, I came to believe in distorted perceptions about my identity and the world I perceived around me. I limited my abundance by believing I was just a mortal being, surviving in an external world of lack, limitations, manmade laws and human possibilities.

I now acknowledge that I am a powerful, immortal spiritual being and the world I perceive is simply a mirror of my own inner state of consciousness.

I accept the power within me to change my attitude and vision and therefore manifest a *new* reality around me. I am never a victim. I am the creator and artist of my life and my world. I am extremely powerful infinite consciousness and exist before and after death,

Right now... I am completely open to receive inner and outer abundance as my divine birthright.

As of today, I am fully released from any past blockages and fears around money. I am now happy, willing and grateful to enjoy the abundance that is my divine inheritance.

I accept that physical wealth is a part of spirituality and I wholeheartedly welcome money and wealth to flow fully into my life now in ALL its wonderful forms.

I deeply appreciate having this abundance of pure money and give thanks for money in my life. Money and wealth are healthy, natural and good and there is always more than enough for everyone.

I now reconnect my awareness to the unlimited light I am, and draw upon the Ultimate Source of All Abundance, the constant Ocean of Love, the Unlimited Supply of pure light and infinite wealth. As I breathe now, I am deeply nourished by this radiant light and love and I re-experience my own eternal wealth and prosperity as an eternal child of God, the Ocean of Limitless Wealth and constant bliss.

From today, anything I now think and feel becomes manifest. Eternally, I am safe, I am secure, and I am complete.

Thank you.

Truly, I have attained everything, right here, right now and forever more.

'Money is forever flowing in my life and there is always divine surplus.' . Thank you, Thank you, Thank you, Thank you!
